

Rubric: 1st Amendment Video Competition

The video you produce will be worth 24 points total and count toward your Summative category in your gradebook. You may or may not receive the same grade as others in your group (see final criteria).

Criterion	8-7 Exceeds standard	6-5 Meets standard	4-3 Almost there!	2-1 Serious concerns
<p>Content Understanding: To what extent does your video establish a strong link between your video content and our 1st Amendment Freedoms? Does your video suggest a <i>deep understanding</i> of the 1st Amendment?</p>				
<p>Content Application: To what extent have you used what you have learned about the 1st Amendment to <i>make meaning</i> of this content? Is it evident through watching your video that you are passionate about your project?</p>				
<p>Group cohesion, engagement, and professionalism: To what extent did your group work cohesively to design a worthwhile, quality, professional-looking project, and execute this vision effectively <i>by the deadline</i>?</p>
